

Deputy Sheriffs' Association of Pennsylvania Message From The Past President

To all Deputies and Members,

As this organization celebrates its 40th anniversary I would like to say that it has been an honor serving as our president. The goal and vision of Thomas J McGinley, one of the founding members, is even stronger today than ever. Ensuring that Deputy Sheriffs' in this Commonwealth are trained to the highest standards and are well respected.

I would like to thank the executive board for their guidance and leadership over the past two years. And I would like to thank our members and supporters for their support and generosity. I also would like to personally thank Bill Bengochea from Philadelphia County our Communication Director for an outstanding job both in developing and maintaining our website, it truly is awesome.

It has been a pleasure meeting people across this Commonwealth who have the same passion that I have for this historic law enforcement profession. This organization has placed individuals in those key positions to keep what has been started during my term, and will continue to for years to come.

I would like to also thank the Pennsylvania Sheriffs' Association for all of their support and guidance. One of our goals was to have a strong, first class relationship with the Pennsylvania Sheriffs' Association because we share the same goals which will allow us to succeed. I believe we have succeeded in building that relationship, and that relationship will only strengthen as both of our organization move forward.

In conclusion as I stated in my farewell speech this organization is looking for those deputies like **YOU** who are just starting their careers as a Deputy Sheriff, and have that passion for this profession to become the next generation of leaders to continue the vision Thomas McGinley and our founding members had 40 years ago.

Be Safe!

Fraternally,
