

A Letter From Your President, Paris Washington

This will be my last letter to you as President of this Association. It has been my honor to represent the members of this organization. Looking back, with the help of the current Executive Director and Past President James Lee, we have reduced cost and streamlined the operation. As a result, it has saved the organization thousands of dollars. Thank You, for your dedicated service. To Deputy William Bengochea, Director of Communications, you have produced an outstanding website that keeps all members and interested parties informed of what we are and what is happening around the Commonwealth. Bill, Thank You. To Deputy Sheriff Sergeant Angelinel Brown, Southeastern Regional Director, who has been there with me at all times ensuring that I am producing at the highest-level. I want to say, Thank You. I want to thank, all Sheriff's for their support in recognizing how the PSA and the DSAP are jointly working for the same goals to make the Sheriff's Offices whole and obtain the recognition through legislation. As you President, I have attended and spread our concerns at the National, State and Local levels. We now have a seat at the table and are being asked and listened to, as an organization. We have shined a spotlight on the value of the Sheriffs and Deputies and are moving forward to see that H.B. 466 is passed.

I now turn over the Office of the President, to my successor and wish him the best, as he takes this organization to the next level. To the members, family and friends, God Bless you and thank you for your support. To my spouse, Mary (You know as Carol) thanks for giving me my space, time and the intrusions into our lives to give 100% to the job, in which I took an oath.

Be safe and I will see you in Chester County.

Fraternally Yours,

Paris Washington, DSAP President
